

# Carmel Valley Kiwanis

Serving the Community Since 1951

**CV Fiesta Week**

All Event Proceeds to the Community

## Carmel Valley's Big Event is on the first full weekend in August

In 1989 the unincorporated village of Carmel Valley celebrated its Centennial after a group of local residents discovered the local post office was established in 1889 and decided to have a parade to celebrate.

That decision expanded into a weekend festival of a parade, 10K race, street dance, music, food booths, arts & crafts, etc. The locals had such a great time that talk began to perpetuate the event annually, but to hold it together required a sponsoring group. The Kiwanis Club of Carmel Valley seemed the logical organization and the Fiesta was born.

The week of activities begin with the "Tournament for Champions" golf tournament. The Hoopla BBQ is Friday night at Trail and Saddle Club with live music and a silent auction and the weekend in the Park features art, craft, games, rides and food vendors, and free concerts. The Fiesta Car Show is the feature event on Saturday has been a tremendous success and Sunday is the famous Doggie Show.

All proceeds are returned to the Community to support youth activities, senior organizations and High School scholarships.

The Carmel Valley Kiwanis sincerely appreciate all the support from our Community to make each of the Fiesta events such a great success each year.
